

ANNUAL FINANCIAL REPORTS

Covering 34 Synods of the
Evangelical and Reformed Church

Issued by the Treasurer
F. A. KECK
for the year 1955

To the Pastors and Congregations of the
Evangelical and Reformed Church:

For 15 years we have now been working together as the Evangelical and Reformed Church. We have constantly set our sights higher for greater and wider fields of activity in the vineyard of our Lord and Master. In every year there has been an increasing response and endeavor to do more as consecrated Christians.

The increase in Apportionment giving of \$96,230.04 represents a percentage increase of about 3% and, as you will see from the report on the next page, 92% of our Apportionment Goal was reached this year. Let's try to make it 98% in 1956.

World Service contributions increased \$19,984.44 over last year. This year we exceeded our goal of \$500,000.00 by \$153,059.29.

Although it has been repeatedly publicized that my books would be closed for the year on January 21st, we again have a considerable crop of late comers. These will be reported on my monthly statement for February and March. At this writing I am not sure that a statement will be sent out at the end of February as the office is still somewhat upset following the renovations and improvements in our building.

Monthly statements are sent to all Pastors and—either the President or Secretary of each Congregation. Please show the statement to your Consistory and help avoid unnecessary inquiries as to how much has been paid by your Congregation.

Yours for a better 1956.

Cordially,
F. A. Keck, Treasurer
Evangelical and Reformed Church.
